

Call Health Advocate anytime for support from their team of medical directors, registered nurses and other experts—professionals with extensive experience working with leading institutions and supporting complicated medical issues.

Our experts can:

- **Help you understand** diagnoses and evaluate treatment options
- **Research and identify** the most advanced approaches to care
- **Arrange appointments** with physicians and specialists, anywhere in the U.S.
- **Locate and evaluate** “best-in-class” physicians and medical centers for second opinions
- **Transfer medical records**, lab results and X-rays
- **Communicate with your doctors** to ensure your needs (and the needs of your family) are met
- **Help coordinate care** and services during and after a hospital stay
- **Provide end-to-end support** during all phases of care

You, your spouse, dependents, parents and parents-in-law can all take advantage of our personalized services. Your medical and personal information will be kept completely confidential.

We're not an insurance company. Health Advocate is not a direct medical care provider, and is not affiliated with any insurance company or third party provider.
